Tom Davidson works with natural resource executives and others who want to accelerate their leaders, get their teams on track, and get new results from their leadership pipelines.

“Tom’s easy-going approach and excellent storytelling provided insightful techniques that will help improve my communication skills.”

– Joann Cox, Past President, Society of American Foresters

You Get

- ✓ An initial consultation to fully understand your meeting's objectives, determine fit, and partner on added value and logistics.
- ✓ Interviews with key leaders and audience members to help customize the content for your event and your outcomes.
- ✓ Pre-conference support and tools to promote the program and develop interest, buzz and excitement in advance of the event.
- ✓ A high-content, high relevance, and highly memorable audience experience with interactive delivery and practical take-aways that can be used the very next day.
- ✓ Tom's signature outdoor examples, props, analogies and metaphors that make his messages stick.
- ✓ Follow up support and resources to help ensure that the key principles involved will be put to work across the organization.

So That

- ✓ Your audience takes away new mindsets, skillsets, and toolsets that they will use back on the job to get the results you need.
- ✓ Your audience and organizational leaders say that their time was well spent, and they are anxious to apply what they learned.
- ✓ Your participants are more engaged and motivated to do their jobs and work with others better than ever before.
- ✓ You look like a star for bringing in a speaker who knows leadership from the ground up and the challenges your people are facing on the ground every day.

“Tom’s combination of humor and hard-hitting facts not only addressed the situations we see but gave us a great deal of insight in how to be more effective in dealing with them.”

— James A. Rothrock,
Commissioner VA Department of
Aging & Rehabilitative Services

“Tom was a great partner in every way, offering suggestions for topics and leaving his various audiences with practical take-aways and insights that they would not soon forget.”

— Caroline Kuebler, American
Forest Foundation
